auralynne

Bust

Measure around the chest at fullest.

Underbust

Measure at bra band beneath the bust.

Waist

Measure at smallest point.

High Hips

Measure halfway between smallest waist and widest hips.

Low Hips

Around butt or upper thighs (whichever is widest).

Back Width

Across the back with arms relaxed, to the point where arms meet the back.

Torso Height x2

Tie a string around your waist. Measure from the string, over the bust, and around the back of the neck.

Skirt Length

From high hip to the floor, in your shoes.

Upper Arm

Around the biceps.
