

# PAPERCRAFT GOGGLES

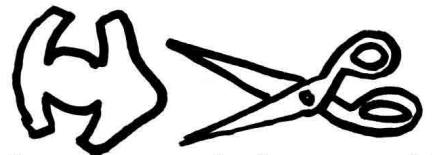

by *auralyne*

STEP 1: 

Decorate your goggles. (optional)

STEP 2:

Cut out your goggles around the outside of the shape. Try to stay inside the black line.

STEP 3:

Punch holes at the black dots.

STEP 4:

Fold goggles beside the lenses.

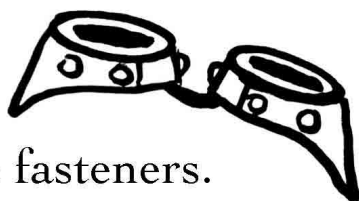

STEP 5:

Join the pieces using four fasteners each side.

STEP 6:

Connect the short elastic with fasteners.

STEP 7:

Connect the long elastic with fasteners.
